Dear Chair DeFazio and Ranking Member Graves:

I am requesting funding for the Reconstruction of 13 Mile from Inkster to Telegraph in surface transportation reauthorization legislation.

The project sponsor for this project is The Road Commission for Oakland County and the project is located at 13 Mile Road, between Inkster Road and Telegraph Road in Franklin, MI 48359.

The funding is designated for the reconstruction of 13 Mile Road in the Village of Franklin.

The project is an appropriate use of taxpayer dollars and is anticipated to have the following benefits: 13 Mile Road carries approximately 12,000 vehicles a day. The surface condition is currently rated poor on the PASER scale and is in critical need of reconstruction. Reconstructing this road will provide a safe and efficient route for motorists.

I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

ANDY LEVIN
